Terriss Consolidated Industries, Inc. represents a 100 year tradition of quality and workmanship.

Over the years we have developed knowledge and expertise which allows us to manufacture and stock a comprehensive line of scientific instruments and laboratory supplies required by the food, beverage, chemical, pharmaceutical, water and wastewater industries. Plus, our MasterCraft Division fabricates stainless steel equipment to order. Olympic Tool Company does custom machining and turning. And, Acquired Data Systems, Inc. creates custom software for industrial customers.
